

GTECHNIQ

SMART SURFACE SCIENCE

ACCREDITED DETAILER PROGRAM

BOCAR HEREBY CERTIFIES THAT

KEVIN HINES; PRESTIGE SHINE AUTO DETAILING

has fulfilled the requirements necessary to become a Gtechniq Accredited Detailer through the successful completion of the Gtechniq Accredited Detailer Training Program.

All Gtechniq Accredited Detailers agree to:

- Deliver the highest standards of detailing and surface protection through the correct application of Gtechniq products
- Maximize customer satisfaction by delivering impeccable customer service
- Achieve maximum market share by promoting the service and products in imaginative and creative ways
- Ensure that all premises and equipment used for Gtechniq application are kept in good condition
- Use prominent Gtechniq branding to promote the full range of paint protection services and aftercare products

This accreditation is valid for two years from the date of issue
